

# CAI and EZ Clean QDI Inspirators

BM200A

## Description

Inspirators rely on the kinetic energy of the fuel gas to entrain air for combustion. Combustion systems that use inspirators are referred to as one pipe systems.

## Features:

### QDI

Brass Components  
Quick disconnect allows for easy cleaning of orifice  
Available with short or long throat

### QDI

#### DP #s

090891 QDI 1 1/4" - 13/16" Throat

090892 QDI 1 1/4" - 1/2" Throat

090893 QDI 1 1/2" - 13/16" Throat

## CAI

Aluminum Casting  
2 possible inlet connections  
Available with short or Long throats

## CAI

### DP #s

090940 CAI 6 Long Throat

090941 CAI 6 Short Throat

090942 CAI 8 Long Throat

090943 CAI 8 Short Throat

090944 CAI 10 Long Throat

090945 CAI 10 Short Throat

090946 CAI 12 Long Throat

090947 CAI 12 Short Throat
